

# The Ruggery

All American Made Hooked Rugs

The evolution of the “Cloud Nine” rug as it appears in the June 2015 edition

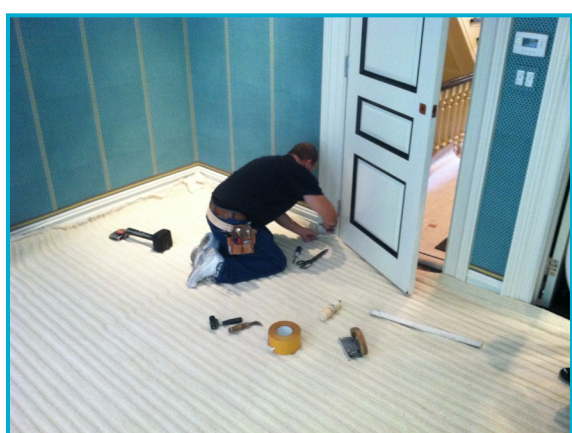

Hand hooked in our New York facility

Hand Shearing and finishing

The installation begins

Attention to the smallest details

Exact cuts are made according to room dimensions and carpet design

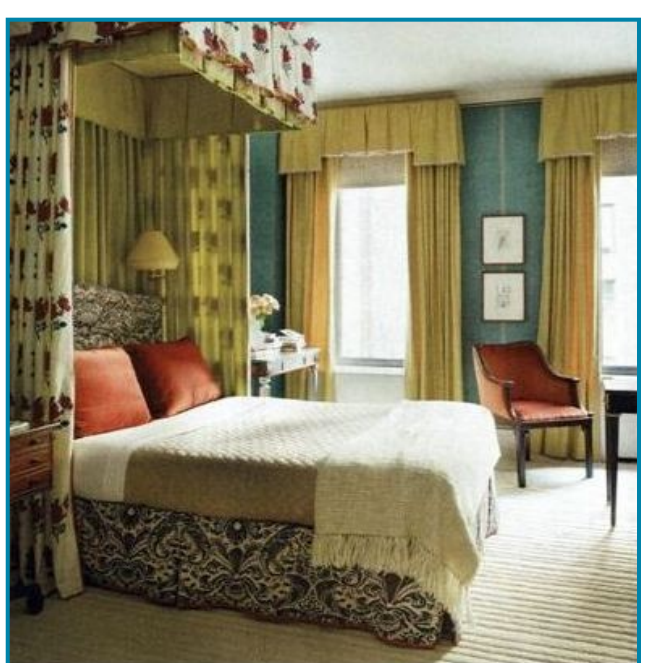

The final installation– our job is done the moves in the rug line up perfectly

## The Magic Touch

*Jeffrey Bilhuber's agile mind conjures an Upper East Side townhouse for a British family that has all the quirks, color, comfort, and charm of classic English style*

Jeffrey Bilhuber makes it perfect.

The Ruggery is based in New York, all of our rugs are made with 100% New Zealand wool. The rugs are designed and made from start to finish in our Long Island Studio. We make world class rugs right here in America.
